MWCGC CONTEST

Unit Information

WELCOME

Waubonsie Valley High School is proud to again host members of the MWCGC and we welcome you all to our school! We are very proud of our facility and ask that everyone do their part for us all to experience a great show like we have come to expect of our MWCGC units. If you need any assistance, please feel free to ask anyone with a WVHS Badge and they assist you.

MWCGC STAFF AND JUDGES

Food will be served in the Judges Area before and after the competition and during all breaks.

SPECTATORS – Entrance 35

Spectator parking is to the right after the football field.

GUARD CHECK-IN and PROPS– Entrance 33

Guard Check-In and Prop Drop is straight ahead to the school. Buses and trailers should drive past Entrance 33 and turn left to circle around the small parking lot and drive back to Entrance 33. This will bring the vehicles along the side walk on the right side of the road, for safer unloading. After unloading, buses and trailers should pull forward and drive around the building to the right, to the parking lot on the other side of the school. You will be able to enter the building at Entrance 16. Prop loading will also be at Entrance 33.

All doors to the field house are single doors. Props and tarps will be stored in the field house until your performance. If your props or tarp do not fit through a single door, we will keep them in the hallway outside the field house until your performance. You are free to keep your props and tarp in the building until after the competition. If you will not be loading your props or tarp after your performance, please return them to the area where they were stored prior to your performance.

WARM-UP – Field House

All guard units will warm-up in the field house, directly across the hall from Guard Check-In. Our field house features 3 separated full basketball court size areas to accommodate two units warming up side by side, and a third space for tarp folding and props. You are free to start your stretching and body warm-up in the hallways near your homeroom. Please allow room for people to pass you and refrain from using any equipment in the hallways.

TARP FOLDING – Field House

After your performance, please return to the field house and plan to immediately fold your tarp.

FINALE

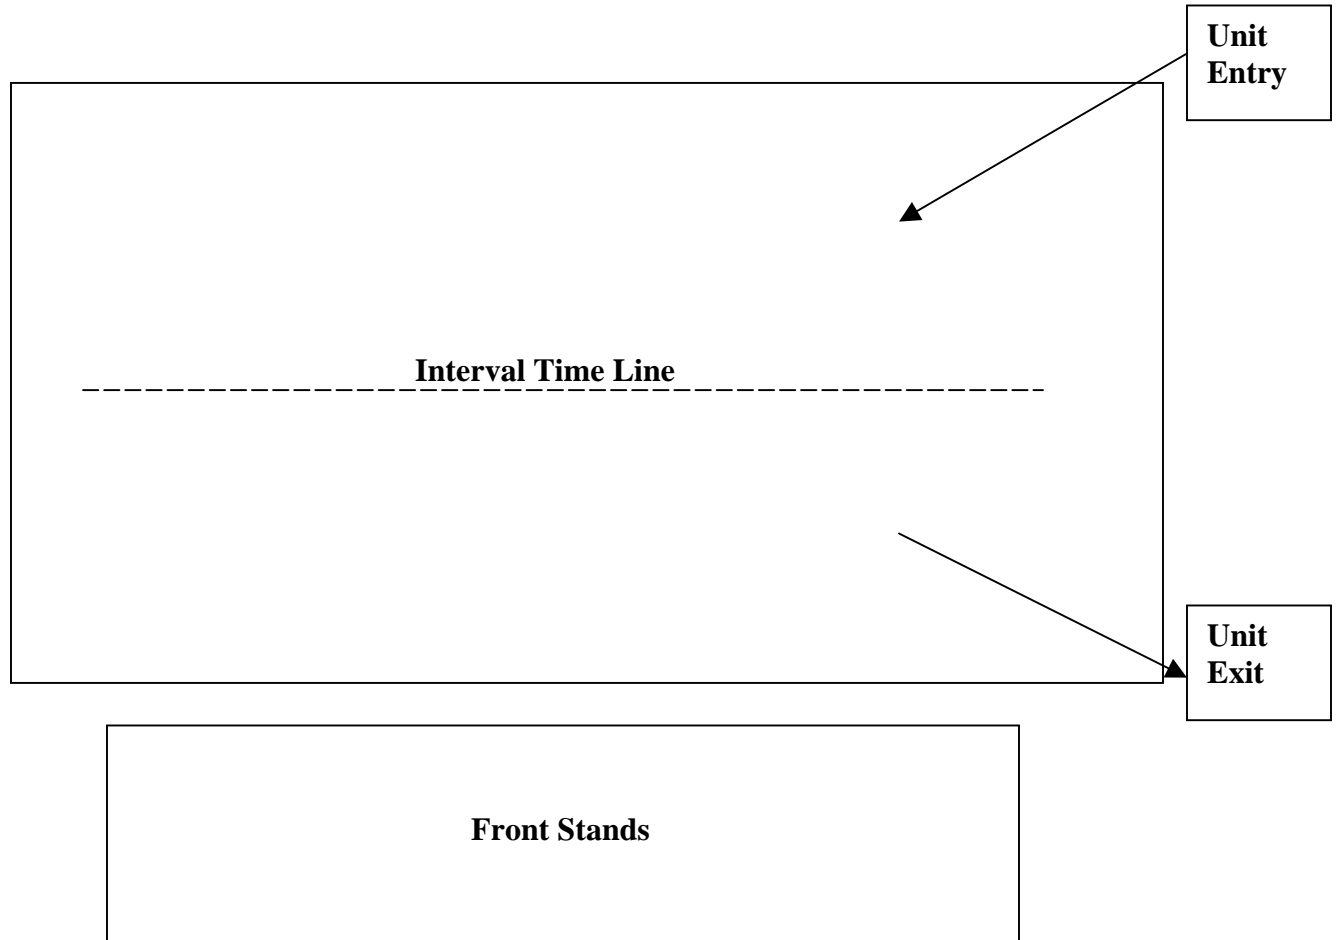

Immediately after the last percussion exhibit, guard members in the finale should line up, in order of performance, in the long hallway leading to the performance gym entrance.
